YOUR BIOGRAPHY: Providing your biography is not mandatory. However, the reason for providing your biography is to ensure a permanent historical record of YOUR accomplishments with NMCB 62 and your Naval Career. Regrettably, age is catching up with us and time is running out. Too many have already died and not left behind their story. Include DOB, date enlisted, schools, duty stations, the Company and shop's you were in, MCB 62 buddies, memorable events, married, grandkids, things that are important to you. Also tell me the years and page numbers of the Cruise Books you are in so I can note that also. Make your bio as long or as short as you would like to be remembered.

NOTE: Please use your computer and type out a separate page or pages so that I can copy and paste into your biography or PRINT carefully on another page.
