

## THANKS FOR VISITING THE NMCB 62 "MINUTEMAN" WEBSITE

This website first went online in October 2008. It originated from discussions within small group of NMCB 62 vets who met once a year at the now disbanded TET '68 reunion which has been replaced by the East Coast all Seabee Annual Reunion in Hampton, Virginia.

From these discussions two Minutemen vets, Billy Millican from North Carolina and Norm Hahn from Wisconsin got together and put this website together. Billy is the webmaster and Norm as the secretary/treasurer provides the content and does the fundraising for the Alumni Group. Price Richardson from Virginia is the President. The Alumni Group holds our annual meeting Saturday afternoon at the East Coast All Seabee Reunion.

The NMCB 62 Alumni Group has a twofold mission. To make contact with all the Minutemen veterans, let them know about the Alumni Group and to invite them to attend our reunions. Click on our "Reunion" tab for more information. Also, to keep a list of the names of as many NMCB 62 vets as we can locate and to give them an opportunity to provide their biographies if they wish. For an example, click on the "NMCB 62 History" tab and scroll down to SW3 Glenn "Willie" Williams outstanding biography.

Anyone who was in NMCB 62 can be Alumni. Relatives of deceased members can also become members. The alumni dues are a very reasonable ten dollars per year and are used to pay for our website and to contact more NMCB 62 veterans by purchasing ads in Seabee newsletters and convention brochures. Donations are also gratefully accepted. Please click on the "Membership Application" tab, print it out and send it in.

Please sign our guestbook and leave a message for your Minuteman shipmates.

Thank you,

Price Richardson
